### 10.40 - 11.10am

Seminar Room 1	<p><b>Presenter:</b> Tim Swingler  <b>Company:</b> Soundbeam  <b>Title:</b> Soundbeam: and the winners are...</p> <p><b>Brief description:</b> Voted outright winner 'Best SEN Resource' in the 2015 Music Teacher Awards for Excellence, Soundbeam, like any other technology, is only as good as the people who use it. We held our own competition and enjoyed some fantastic submissions from special schools as far afield as Canada, Italy and Russia as well as the UK. This seminar will showcase selected highlights.</p>
Seminar Room 2	<p><b>Presenter:</b> Sam Goncalves  <b>Company:</b> Parent  <b>Title:</b> Using wikis for EHCP</p> <p><b>Brief description:</b> Sam who is the parent of Shane has been using easy build wikis for a number of years. She will share how she has developed and used this multimedia tool in particular now for the new Education, health and care plans.</p>

## 11.20-11.50am

Seminar Room 1	<p><b>Company:</b> EducationCity <b>Title:</b> Engaging Learners with EducationCity</p> <p><b>Brief description:</b> This fully interactive session will show you some of the key features and resources EducationCity has to offer from a teachers perspective.</p>
----------------	--

## 12-12.30pm

Seminar Room 1	<p><b>Company:</b> Tobii Dynavox <b>Title:</b> Meet the new Tobii Dynavox I-Series +, Communicator 5 and Gaze Viewer</p> <p><b>Brief description:</b> Tobii Dynavox, the leading provider of eye gaze and AAC solutions, will be providing an overview of the exciting new developments to its product range; including the latest I-Series + communication device, the powerful yet simple to use new Communicator 5 AAC software and the innovative Gaze Viewer gaze tracking software.</p>
----------------	---

Seminar Room 2	<p><b>Presenter:</b> Students of Charlton Park Academy, Kathryn Stowell and Gosia Kwiatkowska <b>Company:</b> Charlton Park Academy and Rix Research and Media <b>Title:</b> Using wikis in Education</p> <p><b>Brief description:</b> The students of Charlton Park Academy will share how they are using the Person Centre Planning wikis. Kathryn will be available to answer questions about using within the school and Gosia is available from the Rix to answer any questions on setting up.</p>

<p>Seminar Room 1</p>	<p><b>Presenter:</b> Shaun McCormack <b>Company:</b> Smartbox Assistive Technology <b>Title:</b> Introducing Grid 3 <b>Brief description:</b> Grid 3 gives users of assistive technology the power to communicate, learn and control the world around them. You can do so much more with Grid 3. There are more features, more symbols, more voices and more ways to speak to your family and friends. Come and find out why the World's best AAC software just got even better!</p>
<p>Seminar Room 2</p>	<p><b>Presenter:</b> Trish Davidson <b>Company:</b> CENMAC <b>Title:</b> Value For Money Service Operating in London <b>Brief description:</b> CENMAC offers the whole package: assessment, loan of equipment, training and review of progress for pupils who need Assistive technology or start out communication devices. Come and discuss options.</p>

“ When Jack was offered an iPad to communicate we knew straight away that Jack had the potential to learn how to use it and couldn't wait to be able to communicate with him even more. It may sound corny but it's absolutely true that after wishing for 15 years for Jack to be able to speak, the staff at Charlton Park Academy have made this wish come true and we can never thank them enough. ”

– Charlton Park Academy's Parents, March 2015 Newsletter
