

What is Coronavirus

People are talking about Coronavirus.
It is a new type of flu.

Children and adults are very good
at getting over a cold or flu.

There are some things you can do to help yourself, family and friends
from getting a cold or flu.

Wash your hands often... especially

Before eating

After using the toilet

After sneezing

Also remember to...

**Sneeze into a tissue and
throw it in the bin.**

**If you don't have a tissue, you
can sneeze into your elbow.**

Try not to touch your face
