

## Number Songs from HelpKidzLearn

Go to the website [www.helpkidzlearn.com](http://www.helpkidzlearn.com)

You will need to login to access the resources.

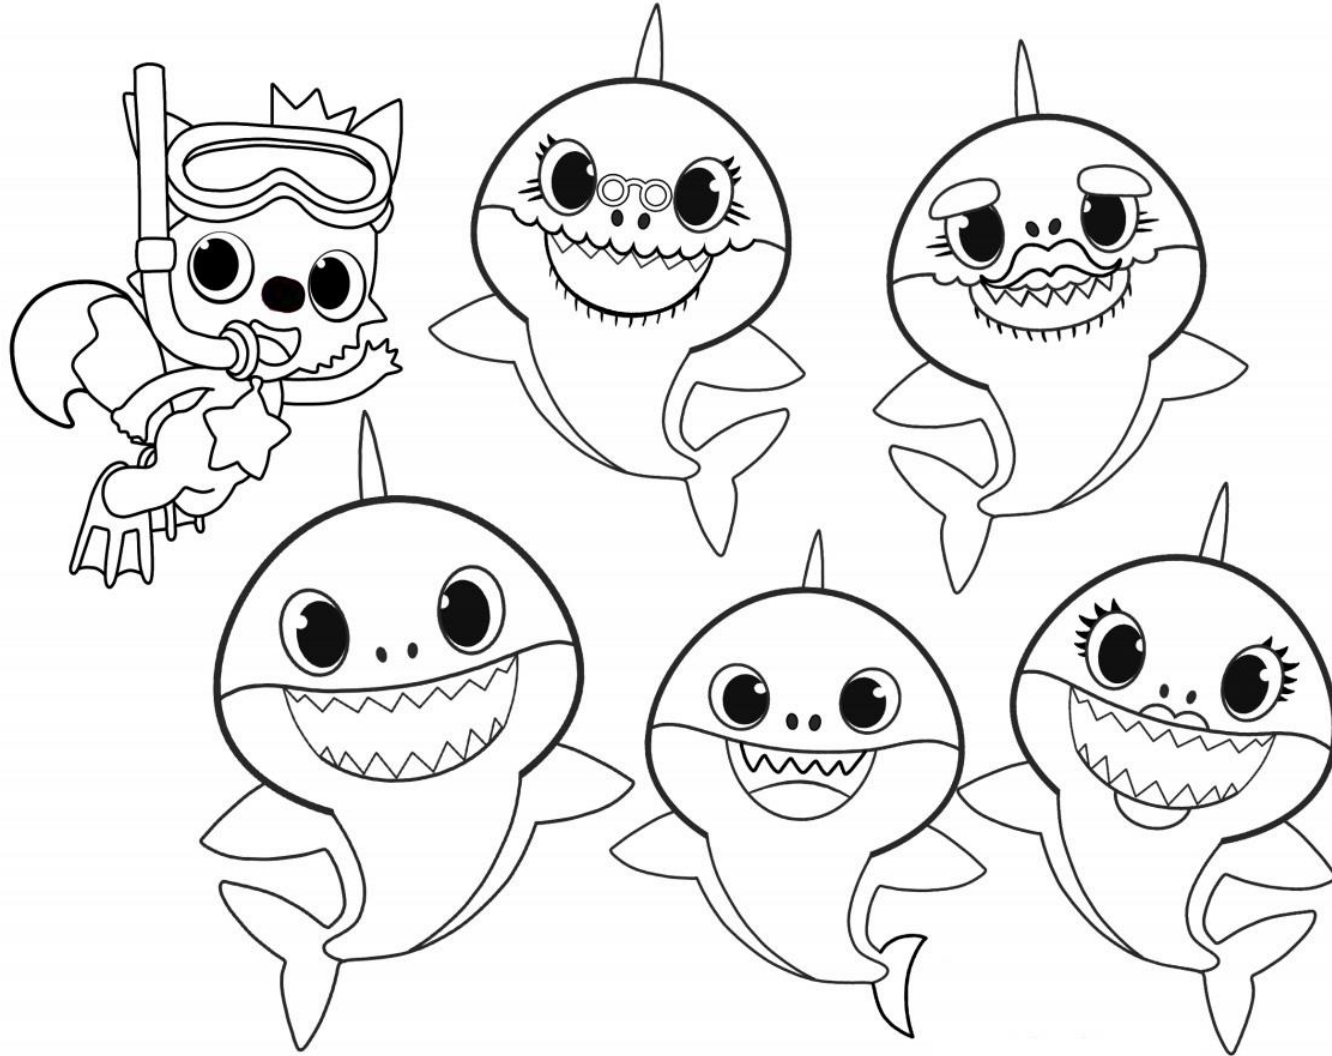

Click on login and then follow the steps above.

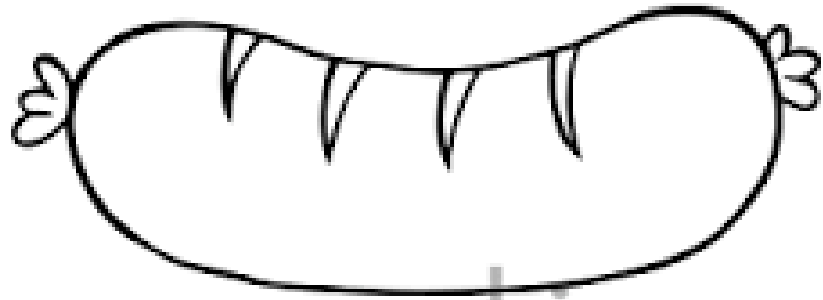

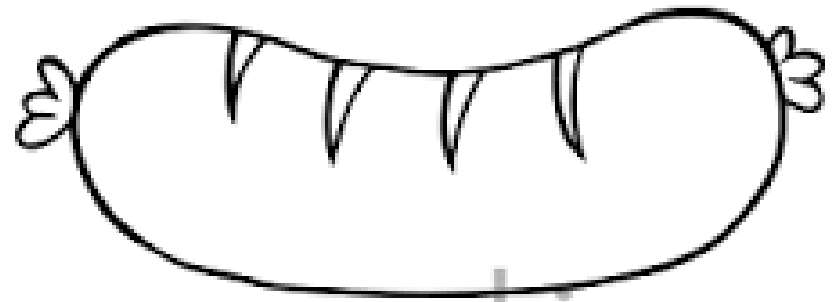

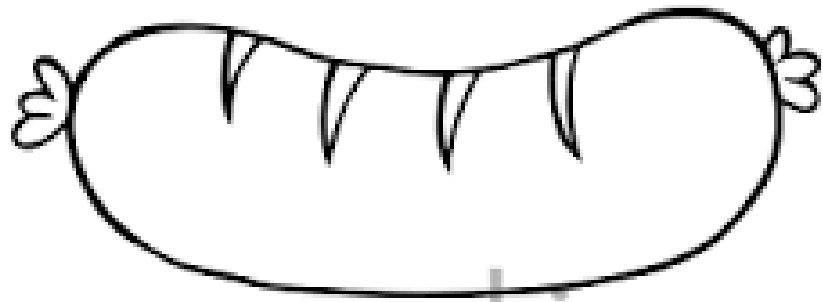

Choose “games and activities” from the options on the screen then choose “stories” from the bar at the top of the page.

To continue our Australian theme, I suggest the 5 fat sausages and the 5 sharks swimming in the pond songs, but you can enjoy the other songs and stories too.

Here are some sharks to colour. You can cut them out and add them as the number of sharks in the song increases.

Here are some sausages to colour. You can cut them out and remove them as the number of sausages in the song decreases.
