

Art Activities

Explore using different materials to make your own paintbrushes.
Experiment to see what marks they make.

There are several different ways to make paintbrushes easier to grip
these are some of them.

The Soundabout Live! interactive music-making sessions for people of all ages with SLD and PMLD have been a great success nationally!

Join them on Soundabout's [Facebook page](#) for Soundabout Live!

Sessions will run at 2pm on Tuesdays and Saturdays led by different members of the amazing music practitioner team.

The sessions are also recorded and available here on YouTube
