

Make a Jellyfish

Use a paper plate or cut a circle from a cereal box to make the jelly fish's body.
Use tissue paper, strips cut from plastic bags, ribbons or strips of fabric to make the tentacles.

Hang it up somewhere with a breeze and watch the strips blow.

Sand Art

Use glue and sand to make artwork.

Drizzle glue onto paper and add sand. Shake the sand off to see your design left behind.

Cut out a seaside shape such as a sandcastle, cover it in glue and make a sandy picture.

Tissue Paper and Water Art

Place pieces of coloured tissue paper onto a piece of white paper.

Spray with a water spray and leave for a few minutes.

Remove the pieces of tissue paper to see the design left behind.

Caution – tissue paper can stain.

Make Cupcake Case Fish

Use colourful cupcake cases and pieces of scrap card to make these colourful fish.
