

ABOUT MY CHILD'S EYES

Introduction

This form will provide valuable information to the NHS England Special School Eye Care Team to ensure they can:

- make the eye test and dispensing of glasses (if required) a positive experience for your child
- understand what is already known about the eye health and vision of your child
- receive other information about your child that will help them provide the best possible service.

We will be asking questions in the following categories:

- Your Child's Details
- Your Details
- The Eye Test (Part 1)
- Eyecare History: Visits to the Optician / Visits to the Hospital
- Glasses
- Other Eye Information about your Child
- Other Health Information about your Child
- Eye Information about your Family
- The Eye Test (Part 2)
- 5 Key Questions

Completing the form

Not everything in this form will be relevant to your child but the more information you provide, the more we can tailor the service to your child's specific needs.

Where answer options are provided, please click on to indicate your choice.

Returning the form

When completed, please return this to the school using the details on the Service Participation and Opt-Out form **by the date indicated**.

WHO	WHAT PROBLEM

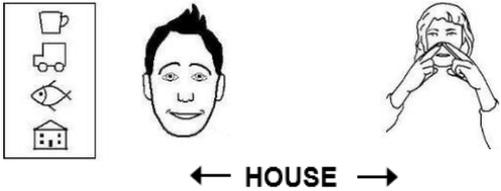

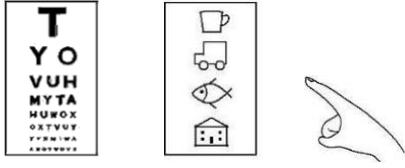

The Eye Test (Part 2)

When your child has their eye test, the Optometrist will need to:

- look at their eyes
- do some tests to check how well they can see

The information you give below will help the Optometrist to test your child's eyes and communicate with them effectively.

<p>Will your child be alright if the Optometrist comes close to them and shines a bright light in their eyes?</p> <p><i>This is done with an instrument called a Retinoscope.</i></p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know?</p>
