Charlton Park Academy and Mulberry Tree House Code of Conduct

Mobile Phones - Rationale

A Code of Conduct is promoted with the aim of creating a cooperative workforce, where staff work as a team, have high values and respect each other. The Academy therefore aims to ensure that all staff with respect to mobile phones:

- have a clear understanding of what constitutes misuse.
- know how to minimise risk.
- avoid putting themselves into compromising situations which could be misinterpreted and lead to possible allegations.
- understand the need for professional boundaries and clear guidance regarding acceptable use.
- are responsible for self-moderation of their own behaviours.
- are aware of the importance of reporting concerns promptly.

The imposition of rigorous, inflexible rules has therefore been avoided, unless the potential risks of not enforcing them far outweigh the benefits. An agreement of trust is therefore promoted regarding the carrying and use of mobile phones.

Use of Personal Mobile Phones

- Staff are not permitted to carry personal mobiles during students' school hours
- Staff are only permitted to use personal mobile phones in the staff lounge
- Staff are not permitted to use recording equipment on their personal mobile phones for Academy purposes.

Dress Code

All Staff are expected to adhere to the Academy's Dress Code.

There is a general expectation that dress will be appropriate to the nature of the duties and responsibilities of the job.

The Academy values and welcomes the ethnic diversity of its workforce and therefore dress codes will take account of ethnic and religious dress requirements with sensitivity ensuring that employees are free to observe them.

Where there is a clear business case or a health and safety reason, the Academy may introduce appropriate dress codes to suit the services provided.

Identity Badges

Employees issued with identity badges should wear them at all times. This is particularly important if you visit the public in their homes. Where Managers decide that it is not

Charlton Park Academy and Mulberry Tree House Code of Conduct

practical to wear identity badges then you should have them available for inspection at all times.

Disciplinary Rules

The Academy has a Disciplinary Procedure.

The disciplinary procedure is concerned with instances of alleged misconduct, either ordinary or gross. It is anticipated that the vast majority of breaches will be of a minor nature and that they can be resolved without recourse to a formal procedure. Some breaches will be more serious or there may be circumstances where there is repetition of a minor breach. In such circumstances the matter will be formally investigated and progressed under the formal procedure.

The Academy also has a separate capability procedure which provides a framework for managers and employees to cope with issues of poor performance. The underlying intention of the Procedure is to give the employees who are falling below the established acceptable standards the opportunity to improve.

Following Instructions

You are expected to follow all reasonable and lawful instructions by a person with the authority to issue such instructions unless:

- There is a danger to a person's health and safety.
- A conflict of interest may exist.
- It does not comply with Academy policy and practice.

The Principal and Line Managers must be able to justify their instructions and decisions in line with their delegations, authority, and Academy policy and procedures, and be open and respond promptly to constructive questions.

Contract of Employment

Your contract of employment is an agreement between the Academy and you which sets out your employment rights, responsibilities and duties and this includes the Code of Conduct.

Data Protection Act

The Data Protection Act protects personal data which relates to living identifiable individuals and deals with the way in which personal information is collected, held, recorded and used.

It works in two ways:

- It gives you certain rights

Charlton Park Academy and Mulberry Tree House Code of Conduct

- It states that those who record and use personal information must be open about how the information is used and must follow the 8 data protection principles.

Freedom of Information Act 2001

The Freedom of Information (FOI) Act (2001) gives significant rights of access to information held by all public authorities.

Working Time Directive

The Working Time Regulations as amended, impose minimum requirements on employers, while at the same time allowing flexibility for workers and employers to make arrangements which suit them. One of the basic rights is a limit of an average of 48 hours a week which a worker can be required to work. However, there is provision for an opt out agreement to be signed where both the organisation and the worker are willing to increase or exclude the limit on working hours.

Internet Usage

Internet Users must not display, access, use, extract, store, distribute, print, reveal or otherwise process any kind of image, document or other material which is sexually explicit or offensive in any other way, on any school system. This activity would be a violation of the Academy's policies, particularly those relating to conduct and discrimination.

If access to this information is required for business purposes, a request must be submitted to the Principal detailing a legitimate business reason for the access. If use of the material is authorised, great care should be taken not to offend others when the material is revealed, and not retain or access such material when it is no longer needed for business reasons. Comments, photographs, images or conversations must not be posted on social networking websites which may bring staff or the Academy into disrepute. Security settings should be maintained at the highest level in order to prevent members of the public seeing any personal information.

All staff are required to sign the Academy's Internet Usage Policy annually.
