

Interview with Pese and Kristian

Pese: How did you feel when you did your work experience?

Kristian: I'm not going to lie, when I first started my work experience, I felt a bit nervous. I'm not going to lie, a bit nervous but the more I get used to it the more I get more confidence.

Pese: How did you feel about it?

Kristian: I felt very independent because I learnt a lot about myself not only the students. I am learning a bit of stuff as well.

Pese: How did your day go?

Kristian: My first day went well. The day was very good. I'm not going to lie. My day was very good.

Pese: What did you do?

Kristian: If the teacher asked for help, I would give the students help if they want help. I asked them if I can help them. If they said yes, I can help them.

Pese: How do you feel now about your work experience?

Kristian: I'm not going to lie I feel very independent in myself. But I feel a bit tired. I'm not going to lie, but I had to do it for my work experience and stuff so yeah.

Pese: Thank you for sharing with us.
