What is working well for students at CPA?	• Friends in class and on the playground • People being kind • Travel training (going to places in London) • Maths and English learning (accessing work on TEAMS)	Student Leaders to get feedback from peers before the next meeting.
What could be better for students at CPA?	• Having a calm space in school. We spoke about this being on the playground and in class. There was a discussed about a calming space on the playground	
Woolwich Common Trees	<u>Save Woolwich Common Trees - Act Now - Friends of Woolwich Common</u> • Students don't agree with the trees being removed: ○ It would affect the animals which live in the trees and get food from that area ○ The trees help with oxygen and we need that to breathe ○ There are other paths that can be used to cycle on ○ What about the people that enjoy walking around Woolwich Common? It provides a nice change from the chaos of the roads, having more bikes there would stop this ○ More trees will be	Gail to submit objection on behalf of Student Leaders
