Item	Notes	Actions
ACE Consultation – Year 6 to 7 Transition	- Discussed what a transition was and what transitions they would have experienced. - Explained that the Local Authority were wanting students feedback on the primary to secondary transition - Shared memories of moving to secondary school	Gail to type up feedback and return to ACE – by 04/04/2025
What is working well for students at CPA? What could be better for students at CPA?	Student Leaders had no further feedback regarding what peers are enjoying about school currently or anything they would like to improve	Continue to regular revisit and encourage Student Leaders to bring any concerns to meeting
Traffic and safety on roads around school	- Explained that Niall was seeking ideas on ways to support the safety of students and families on the roads around the school. - Discussed what issues the Student Leaders thought there were: - Number of cars - People getting upset waiting - Cars moving dangerously - Student Leaders felt the number of bikes were also an issue on the roads - Asked Student Leaders for suggestions on how either the school or the council could support: - Prioritise school buses over cars (taxis) dropping students off inside the school - Install traffic lights on Cemetery Lane - More people owning electric cars, won't reduce the number of cars but will make the air safer for everyone	Revisit question after Easter holidays and Student Leaders to ask their classes for ideas.
