Visitors are required to sign in on arrival through the school's electronic entry and exit system which records the reason for the visit, the name of the visitor(s), and the name of the organisation they are from where applicable.

Anyone wishing to visit the school or arrange a meeting must do so prior to arrival. Visitors will not be allowed into the school without the supervision of a member of school staff.

Parents are discouraged from visiting the school during school hours unless for a school event, pre-arranged meeting or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined in the visiting procedures section of this policy.

4. Safeguarding

The school is committed to promoting the safety of all students and may require visitors to undertake a DBS check depending on the purpose of their visit.

Prior to arranging a visit, the Principal will ensure careful consideration is given to the suitability of the person or organisation. This will include an assessment of:

- The educational value of the visit
- The age appropriateness of what is going to be delivered
- Whether relevant checks will be required
- Whether the visit could bring the school into disrepute
- How compatible the visit is with the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs
- A visitor will require an enhanced DBS check with children's barred list information if they work in regulated activity.

For visitors at the school in a professional capacity, the school will check their ID upon arrival and receive assurance that the visitor has had the appropriate DBS check. The school will not ask to see the DBS certificate in these circumstances.

The DSL and Principal will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

The Principal will use their professional judgement to determine whether a visitor should be escorted or supervised while on school premises.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with students.

The school will manage the risk of potential harm to students by taking steps to segregate students from visitors.

The school will adhere to the Prevent Duty at all times when managing the risk of potential harm to students from visitors.
